

City Hoop Tourney Plans Completed; 12 Teams Ready

First round of organization for the 1949-50 City Basketball League was completed yesterday by Elmer "Red" Moon, director of recreation. Moon revealed that 12 teams are lined up to compete for trophies in the city league.

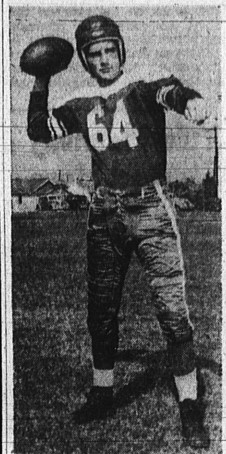

Among the teams whose managers have signified their intention to enter the race are the Fenwick Shoe Repair, Reed's Polar Kitchen—last year's champs, National Supply, the Walteria Businessmen's Association will furnish two teams, Torrance Merchants, The Crenshaws, National Home Appliances, Columbia Steel, Caballo Mart, Torrance School Teachers, Harbor Hospital Doctors, and Bowles Auto Repair.

Moon said that all games will be played at the Torrance High

School gymnasium. Practice will start shortly after Nov. 1 and the regular championship season a month thereafter.

Games will be played two nights a week. Moon declared that he definitely has the school gym "tied up" for Wednesday nights; the other playing night will be announced later.

All Torrance players who have no basketball affiliations during the coming season and who want to play in the city league have been asked to call Moon at 2265 as soon as possible.

ACE FLINGER . . . Slated to toss against the Tartars tomorrow is 170-pound Don Paulsen quarterback.

Louise Staffen Top Bowler in Classic

Louise Staffen of Torrance rolled a 981 five-game series in the Queens bowling classic in Los Angeles Saturday night to take second place, with one week-end remaining in the competition for \$1040 in prize money.

pounds and still is a better passer and just as good when he is carrying the ball." Cole also mentioned the new-found backfield strength in the combination of Bullet Joe Clevenger at fullback; Aramis Dandoy and Jack Faren at the half-back slots.

The line has been improving every week, both on defense and on the march. They also have picked up some finesse in their downfield blocking assignments. "If our line can shake Crawford and Dandoy loose and into the clear, we'll have Leuzinger in plenty of trouble," Coach Cole opined.

Kickoff time is 8 p.m.

Police Edged 8-5 by Last Inning Rally

Pederson's Scoremaster is one of the finest baseball scorebooks made. But it wasn't until the ninth inning that the Scoremaster nine took full advantage of the book's scoring columns.

Trailing 5-4 with three outs to go, the Los Angeles traveling team rallied to push across four runs in the top of the last inning and trip the Torrance Police squad, 8-5, before 150 spectators at the Torrance municipal park Sunday afternoon.

Displaying a good fast ball and a hinky-dinky hook, Harry Smith, a tall right-hander, held the Scoremasters in check for eight frames despite a wobbly start. It was the first mound experience for Smith, a converted outfielder, and his unfamiliarity with fielding his new position allowed several unearned runs to cross the plate.

Wildness contributed to most of the Scoremasters' tallies, as they pushed two across in the first and one in the second.

It took a big inning to put the Cops in front. Ten men batted in the home half of the third. Singles by Smith, Bucky Kuhn, Earl Clayton, Swain Johnson and Claire Johnson, coupled with a walk to Jack Mosby, produced four runs.

Torrance picked up what looked like the insurance run the next inning on two hits and an error.

Two hits and a wild pitch sent a run in for the L. A. team in the fifth, and the score stood at 5-4, Torrance, until the ninth, when the visitors exploded for four runs before an out had been recorded.

A hit batsman, single, and three-base error by Smith on a bunt sent two across. Remo climaxed the scoring with a two-run 35-foot homer over the left field fence.

The line score: Dunn, Loepp (3), Herman (8) and Marsh; Smith and Bennett.

... Tartars Win

came evident soon after the opening kickoff. After an exchange of punts the Tartars found themselves on the Beverly Hills 19 yard line. Jack Faren, operating from the halfback position, broke through the right side of line and wasn't stopped until he had reached the 10. Clevenger carried to the 6; Crawford sneaked through to the 4. After Dandoy picked up three yards on two bucks through the middle, Douroux dropped back from his customary position at center, took the oval and battered his way to a TD.

A pass, from Crawford to John Kulp, right end, started a touchdown march in the second quarter. The play, good for 9 yards, put the Tartars on the Beverly Hills' 28 yard line. Dandoy carried the ball three times in succession and stepped into pay territory from the two-yard market.

The hard driving Tartars drove across another tally before the half-time break with Joe Clevenger doing the carrying.

Behind the spirited running of their halfback Johnny Mann, the Norrans' running attack threat grew more serious in the second half. However, after scoring one touchdown, the Tartar line and pass defense throttled the Hillsmen attack.

Crawford, Torrance's pint sized Glenn Dobbs, pitched ten complete passes of the 16 he tried—one to Vaughn was good for a touchdown. He also scored on one of the longest runs in the Bay League this season. After faking beautifully, he broke through his own right tackle, eluded two would-be tacklers, reversed his field and behind good downfield blocking galloped 68 yards to pay dirt.

Brave Scout Here

Johnny Moore, the Boston Braves scout, was in the stands at Sunday's Torrance Police-Pederson Scoremaster game at the Torrance municipal ball park. Moore showed interest in several Scoremaster players.
